## Unique Student Identifier (USI)

USI NUMBER (If applicable)	
----------------------------	--

### If you don't have a USI number, please read below:

From 1 January 2015, we Industry Training Queensland can be prevented from issuing you with a nationally recognised VET qualification or statement of attainment when you complete your course if you do not have a Unique Student Identifier (USI). If you have not yet obtained a USI you can apply for it directly at <http://www.usi.gov.au/create-your-USI/>

If you would like us Industry Training Queensland to apply for a USI on your behalf you must authorise us to do so and declare that you have read the privacy information at <https://www.usi.gov.au/training-organisations/usi-support-materials/privacy-notice-students-when-applying-usi-their-0>

I [NAME] .....authorise Industry Training Queensland to apply pursuant to sub-section 9(2) of the Student Identifiers Act 2014, for a USI on my behalf. I have read and I consent to the collection, use and disclosure of my personal information pursuant to the information detailed at <https://www.usi.gov.au/training-organisations/usi-support-materials/privacy-notice-students-when-applying-usi-their-0>

# **PRE-ENROLMENT INFORMATION**

*The following information is provided so that you are aware of your rights and responsibilities as a student of Industry Training Qld. Please read and sign to confirm that you understand what you have read. If you have any questions, please ask our friendly office staff.*

## **Competency Based Training and Assessment**

Under the Competency Based Training system, individuals are assessed as Competent or Not Yet Competent. This is not a graded system as in schools or Higher Education but is based on the achievement of competence in the skills, knowledge and attitudes required to be demonstrated in the workplace.

Under the Competency Based Training system, experienced and skilled individuals can have their existing skills assessed and a qualification issued without necessarily undergoing any additional training. Recognised qualifications recognise the competency of an individual rather than the completion of a course. We have flexible arrangements for your achievement of competency. If you have any queries, please ask your trainer/assessor.

## **Fees & Refunds**

The scheduled fee will be paid in full upon enrolment and prior to the commencement of the training program unless by prior arrangement.

The Managing Director shall refund from the company trading account in the following circumstances.

- Where a participant cancels his/her position in the training program fees will be refunded on a pro rata basis if (and only if) 24 hours' notice is given prior to booking time. An administration fee of \$50.00 will be taken.
- Where a participant seeks a refund on the basis of an incorrect charge being accepted by the company.
- Where a participant seeks a refund following cancellation of the enrolment prior to the commencement of the course, a full refund (less a \$50.00 administration fee) shall be made.
- Where a participant seeks a refund following cancellation of enrolment in favour of enrolment at an alternative vocational education institution, a partial refund shall be made provided that...
- such refund shall be conditional upon the satisfactory evidence of the subsequent enrolment having been made,
- And the application is received before 20% of the course time has elapsed.
- Where the organisation cancels a course at any time after the first training session has been held, a full refund of all charges will be made.
- Where a participant makes a booking for a MC (multi combination) course a deposit of \$1000.00 must be paid, of which \$200.00 is non-refundable, should the participant cancel their booking.
- Where a participant makes a booking for a Machinery ticket course a deposit of 50% of total cost must be paid, other than by negotiation, of which \$200.00 is non-refundable should the participant cancel their booking.

## **Student Enrolment**

Students are required to undergo a recruitment, selection and induction procedure prior to enrolment. This is as follows:

All clients will be recruited in an ethical and responsible manner and consistent with the requirements of the curriculum or National Training Package.

Our Access and Equity Policy ensures that client selection decisions comply with equal opportunity legislation. Appropriately qualified staff will assess the extent to which the applicant is likely to achieve the stated competency standards and outcomes of the course, based on his/her qualifications and experience.

Upon selection for an appropriate course, students will undergo an induction with administration staff. A Client Handbook is available if requested.

## **Recognition of Prior Learning (RPL)**

Recognition of Prior Learning (RPL) is the acknowledgment of skills, knowledge and attitudes held by an individual as a result of formal training, work experience, and/or life experience.

If you believe that you already possess some or all of the learning outcomes contained in your chosen course and you can demonstrate your competency, then you can apply for RPL.

## National Recognition for Direct Credit and Credit Transfer

Industry Training Qld has an obligation, under the Australian Quality Training Framework (AQTF), to recognise all AQF qualifications or Statements of Attainment awarded by another RTO.

## Customer Complaints

*Industry Training Qld* recognises that sometimes situations may arise in which a customer feels that he / she has not been treated fairly or in accordance with company rules and procedures. For this reason *Industry Training Qld* provides its customers with procedures for resolving complaints.

## Appeal

If a client is not satisfied with his/her assessment result he/she may lodge an Assessment Appeals Form, which is available from the Registered Training Organisation (RTO). He/she is required to complete each of the relevant sections and return it to the RTO, who will take the necessary actions.

## Disciplinary Action

Industry Training Qld expects that all students will conduct themselves in a manner that is considerate and reasonable at all times. The participant must ensure that he/she abides by the rules and responsibilities listed in the Client Handbook, which is available by request. Students who breach this code of conduct will be subject to disciplinary action.

## Access and Equity

Our Access and Equity Policy supports the principles of the Australian Skills Quality Authority Access and Equity Policy for the Vocational Education and Training System that envisage a vocational education and training system responding to the needs of all people with respect to Resource allocation; Involvement in decision making processes; The provision of quality programs and services; Access to programs and services; and Participation in programs.

## Student Support and Services

We have an Open Door Policy for all clients requiring academic and other support. Industry Training Qld has guidelines for all trainers and assessors regarding Language, Literacy and Numeracy issues for students. Students requiring welfare or guidance services will be given access to a list of services available to them.

## Penalty and Fines

Any speeding, red light violations that are incurred by the student learner whilst operating any vehicle owned by Industry training Queensland will be the responsibility of the learner driver.

## Student Handbook

All of the above information is available in more detail in our Student Handbook. Please see our administration staff at the front counter for your electronic or hard copy.

- I confirm that I have been given access to the Student Handbook for further information regarding my enrolment and ITQ Policies.
