

# Dogging Course

## CPCCLDG3001 Licence to perform dogging (DG) High Risk Licence

### Summary

This course is designed to ensure that participants have the skills and knowledge required to perform slinging techniques, including the selection and inspection of lifting gear and/or the directing of the crane operator in the movement of the load, when the load is out of view of the crane/operator for licensing purposes.

This course covers the scope of work to demonstrate competency in the application of slinging techniques, selection, and inspection of lifting gear and/or the directing of the crane/operator in the movement of the load.

This course is based upon the National Standard for Licensing Persons Performing High Risk Work.

On successful completion of this course students will be issued with a:

- Nationally Recognised Statement of Attainment for CPCCLDG3001 Licence to perform dogging.
- Interim High Risk Work Licence, once your application has been submitted, which is valid for 60 days. This allows you to operate as a Dogman whilst your submitted application is being processed by WorkSafe.
