To be efficient with your training at Industry Training Queensland, we recommend booking in one initial lesson.

From this lesson, the trainer can assess you and give you a rough estimate on how many lessons they recommend for you before becoming competent enough to sit your test.

After this assessment lesson, as the test wait with Queensland Transport is always 3-4 weeks out, we like to go ahead and book it in with you after your first lesson. This way we can work your recommended number of lessons up towards the test date consecutively.

We conduct hourly lessons Monday to Saturday 6am – 6pm. Minimum 2-hour lesson for Saturday bookings.
