

Short Courses Civil

This programme is a CSQ initiative

Eligibility form

CSQ contributes towards the cost of courses to reduce the cost to participants. CSQ funding is paid directly to the contracted RTO, generally between 75% and 100% of course costs.

CSQ provides funding to reduce the financial obstacle to training, making upskilling an affordable option for many more individuals in the construction industry.

For full details about Construction Skills Queensland please go to: www.csq.org.au

Please complete this form and provide other required documents stated below prior to enrolment to Industry Training Qld. You can either submit these documents to admin@itq.net.au or at our office which is located at 51-55 Toll Street, Mount St John QLD 4818.

All approved CSQ funded training that you are enrolled in, must be completed before 30 September 2026.

This funding is available exclusively to students who achieve a competent grade. If competency is not achieved at the end of the course, the individual will be required to pay the full cost of the course.
