

# TLI LIC0001

## LICENCE TO TRANSPORT DANGEROUS GOODS BY ROAD

This Unit is nationally recognised

**Delivery Mode:** Face-to-Face (Classroom & Practical)

**Duration:** 2 Days

**Location:** 51-55 Toll Street, Mount St John, QLD, 4818

**This course includes all assessments and required resources**

### **Unit Overview**

This unit is a mandatory component for drivers applying for a Dangerous Goods Licence through Queensland Transport. It provides participants with the knowledge and skills necessary to safely identify, handle, and transport dangerous goods by road in accordance with state and national regulatory frameworks.

Topics include labelling and placarding, risk assessment, vehicle placarding, load restraint, and emergency procedures, as well as application of the Australian Dangerous Goods (ADG) Code.

✓ This course must be completed within 6 months prior to applying for a Queensland Dangerous Goods Driver Licence.

### **Entry Requirements**

To enrol, participants must:

- Be 17 years of age or older
- Have a valid USI (Unique Student Identifier) – [Apply here](#)
- Provide three (3) original forms of ID (see Student Handbook for EOI details)
- Wear closed-in footwear
- Successfully complete a Language, Literacy, Numeracy & Digital (LLND) assessment

**Queensland Transport also requires the following for licence application  
(external to this course):**

- Satisfactory driver history and criminal history check
- Valid driver licence
- Medical certificate signed by a registered practitioner
- Queensland residency
- have completed an approved dangerous goods driver training course no later than 6 months before you apply

## Learning Outcomes

This Unit will provide the learner with the following skills:

By the end of this course, participants will be able to:

- Understand and apply basic knowledge of the ADG Code
- Recognise and interpret dangerous goods documentation
- Correctly identify, label, and placard dangerous goods
- Select appropriate safety equipment and PPE
- Modify procedures based on varying risk environments
- Follow emergency procedures in the event of an accident
- Secure and restrain loads safely during transport
- Plan compliant transport routes and appropriate rest stops
- Accurately complete and amend consignment/manifest documentation

## Assessment & Certification

Assessment includes:

- Written theory assessment
- Practical knowledge checks
- Trainer-led review and verification

Upon successful completion, participants will receive a Nationally Recognised Statement of Attainment for:

TLILIC0001 – Licence to Transport Dangerous Goods by Road

This Statement is a required component for applying for a Dangerous Goods Licence from your local transport authority.

## Resources & Delivery Method

- Participants receive a comprehensive Learner Guide
- Delivery includes a combination of indoor classroom theory and outdoor supervised instruction
- Multimedia presentations and reference materials support varied learning styles

## **Evidence of Identity**

*At least one category A document must be photographic and show a full name and date of birth (DOB)*

A candidate must produce, and an assessor must sight, three matching, original, evidence of identity (EOI) documents before undertaking an assessment or reassessment.

## **Refund, Cancellation, RPL/Credit Transfer Policies**

Please familiarise yourself with our policies in our Student Handbook which also includes more details on training and support services.
